

## WPSC TRIP INSURANCE FORM 2022-2023

Please read the following carefully, and gather the required information before considering coverage.

Travel Insurance is not required, but it can be a good option for those looking to cover medical, trip/baggage delay, trip interruption, and individual cancellation. There are several options to consider, and the Council recommends it. However, COVID has impacted several industries since the pandemic, and insurance is no exception. To that effect, Travel Insurance Companies have recently changed their **PRICING** and **RULES**. There is no longer a group or blanket option.

Rates are now based on a number of criteria and are individualized. To receive a good travel insurance quote, please contact Myra Alstchuler at this email: [myra@travelprotectors.com](mailto:myra@travelprotectors.com). Provide the following information in your email to her:

(*must purchase plan within 21 days of first trip deposit*) Choose this plan if you want to be insured if the trip is canceled by the club, tour operator, resort, cruise line, the county, state or country you are visiting due to a virus or any other reason.
